“Looking ahead to 2026, we are excited about our plans to drive continued growth through a variety of initiatives designed to further enhance the customer experience, elevate our brand, drive greater enterprise-wide efficiencies, and extend our reach, all while creating long-term shareholder value.”

Fourth Quarter Fiscal 2025 Highlights

Net sales increased 5.9% to \$10.9 billion in the fourth quarter of fiscal 2025 compared to \$10.3 billion in the fourth quarter of fiscal 2024. The net sales increase was driven by growth in same-store sales and positive sales contributions from new stores, partially offset by the impact of store closures. Same-store sales increased 4.3% compared to the fourth quarter of 2024, reflecting increases of 2.6% in customer traffic and 1.7% in average transaction amount. Same-store sales in the fourth quarter of fiscal 2025 included growth in each of the consumables, seasonal, home products, and apparel categories.

Gross profit as a percentage of net sales was 30.4% in the fourth quarter of fiscal 2025 compared to 29.4% in the fourth quarter of fiscal 2024, an increase of 105 basis points. This gross profit rate increase was driven primarily by lower shrink, higher inventory markups and lower inventory damages; partially offset by an increased LIFO provision.

Selling, General and Administrative Expenses (“SG&A”) as a percentage of net sales were 24.9% in the fourth quarter of fiscal 2025 compared to 26.5% in the fourth quarter of fiscal 2024, a decrease of 165 basis points. The primary expenses that were lower as a percentage of net sales in the fourth quarter of 2025 were impairment charges, primarily due to the store portfolio optimization review completed in fiscal 2024, and retail salaries; partially offset by higher incentive compensation.

Operating profit for the fourth quarter of fiscal 2025 increased 106.1% to \$606.3 million compared to \$294.2 million in the fourth quarter of fiscal 2024. In the fourth quarter of fiscal 2024, the Company's operating profit was negatively impacted by charges of \$232 million related to a store portfolio optimization review, primarily due to store closures and pOpshelf impairment charges.

Net interest expense for the fourth quarter of fiscal 2025 decreased 20.6% to \$52.3 million compared to \$65.9 million in the fourth quarter of fiscal 2024.

The effective income tax rate in the fourth quarter of fiscal 2025 was 21.8% compared to 16.2% in the fourth quarter of fiscal 2024. This higher effective income tax rate was primarily due to a higher state effective tax rate and a decreased benefit from jobs-based tax credits due to higher earnings before taxes diluting the rate impact of the credits.

The Company reported net income of \$426.3 million for the fourth quarter of fiscal 2025, an increase of 122.9% compared to \$191.2 million in the fourth quarter of fiscal 2024. Diluted EPS increased 121.8% to \$1.93 for the fourth quarter of fiscal 2025 compared to diluted EPS of \$0.87 in the fourth quarter of fiscal 2024. In the fourth quarter of fiscal 2024, EPS included a negative impact of approximately \$0.81 per share related to the store portfolio optimization review.

Fiscal Year 2025 Highlights

Fiscal 2025 net sales increased 5.2% to \$42.7 billion compared to \$40.6 billion in fiscal 2024. The net sales increase was driven by growth in same-store sales and positive sales contributions from new stores, partially offset by the impact of store closures. Same-store sales increased 3.0% compared to fiscal 2024, reflecting increases of 1.6% in customer traffic and 1.4% in

Gross profit as a percentage of net sales was 30.7% in fiscal 2025 compared to 29.6% in fiscal 2024, an increase of 107 basis points. The increase in the gross profit rate was driven primarily by lower shrink, higher inventory markups and lower inventory damages, partially offset by an increased LIFO provision.

SG&A as a percentage of net sales were 25.5% in fiscal 2025 compared to 25.4% in fiscal 2024, an increase of 13 basis points. The primary expenses that were higher as a percentage of net sales in 2025 were incentive compensation and repairs and maintenance, partially offset by lower impairment charges primarily due to the store portfolio optimization review completed in fiscal 2024.

Operating profit for fiscal 2025 increased 28.6% to \$2.2 billion compared to \$1.7 billion in fiscal 2024. In fiscal 2024, the Company's operating profit was negatively impacted by charges of \$232 million related to a store portfolio optimization review, primarily due to store closures and pOpshelf impairment charges.

Net interest expense for fiscal 2025 decreased 15.9% to \$231 million compared to \$274 million in fiscal 2024.

The effective income tax rate in fiscal 2025 was 23.0% compared to 21.8% in fiscal 2024. This higher effective income tax rate was primarily due to a higher state effective tax rate, enactment of Pillar Two minimum tax, and a decreased benefit from jobs-based tax credits due to higher earnings before taxes diluting the rate impact of the credits.

The Company reported net income of \$1.5 billion for fiscal 2025, an increase of 34.4% compared to \$1.1 billion in fiscal 2024. Diluted EPS increased 34.1% to \$6.85 for fiscal 2025 compared to diluted EPS of \$5.11 in fiscal year 2024. In fiscal 2024, EPS included a negative impact of approximately \$0.81 per share related to the store portfolio optimization review.

Merchandise Inventories

As of January 30, 2026, total merchandise inventories, at cost, were \$6.3 billion compared to \$6.7 billion as of January 31, 2025, a decrease of 7.0% on an average per-store basis.

Capital Expenditures

Total additions to property and equipment in fiscal 2025 were \$1.2 billion, including approximately: \$732.0 million for improvements, upgrades, remodels and relocations of existing stores; \$215.3 million for distribution and transportation-related projects; \$203.5 million related to store facilities, primarily for leasehold improvements, fixtures and equipment in new stores; and \$64.4 million for information systems upgrades and technology-related projects. During fiscal 2025, the Company opened 581 new stores in the United States and 8 new stores in Mexico, remodeled 2,000 stores through Project Renovate and 2,254 stores through Project Elevate, and relocated 47 stores.

In fiscal 2025, as planned, the Company did not repurchase any shares under its share repurchase program.

On March 11, 2026, the Company's Board of Directors declared a quarterly cash dividend of \$0.59 per share on the Company's common stock, payable on or before April 21, 2026 to shareholders of record on April 7, 2026. While the Board of Directors currently intends to continue regular cash dividends, the declaration and amount of future dividends are subject to the sole discretion of the Board and will depend upon, among other things, the Company's results of operations, cash requirements, financial condition, contractual restrictions, excess debt capacity, and other factors the Board may deem relevant in its sole discretion.
